

★ ABOUT ICBEB 2026 ★

ICBEB serves as a premier global platform, fostering dialogue among leading researchers, innovators, and practitioners in Biomedical Engineering and Biotechnology. It is dedicated to presenting diverse perspectives and pioneering empirical research on the latest trends, breakthroughs, and challenges in the field. Since its inception, the conference has cumulatively engaged over 2,500 experts and scholars worldwide, facilitating invaluable networking and profound intellectual exchange.

The ICBEB 2026 program will feature keynote addresses by eminent scholars, invited talks, oral and poster presentations, panel discussions, as well as special sessions and exhibitions. All elements are meticulously designed to maximize interaction, collaboration, and in-depth discourse among all participants.

▲ HOW TO JOIN US

- ▲ Submit an Abstract - for **Oral/Poster** Presentation.
- ▲ Submit a Full paper - for **Publication** in a Journal or Conference Proceedings.
- ▲ Email to the Committee - for acting as a **Listener**.
- ▲ Submit a CV - for acting as a **Reviewer**.
